### Top Ten by Price

Do you shop by price? Want to compare prices between brands? Then check out Nappy Review's Top Ten nappy brands by price.

Most mums buy in bulk to save money so we've found the bulk prices for the top ten cheapest brands at four major retailers - Coles, Woolworths, BiLo and IGA.

So now you can find the cheapest nappy that has all the features you want!

\*NOTE\* Prices are a general guide ONLY and subject to change. Prices may change weekly as brands go on special.

1. Cuties (see Cuties review for Where to Buy) - 22 to 35c/nappy.
2. Aldi (Mamia Brand) - 27 to 34c/nappy.
3. Snugglers - 36 to 59c/nappy.
4. Babylove Regular - 39 to 77c/nappy.
5. Nature Babycare - 40 to 62c/nappy.
6. Huggies - 41 to 73c/nappy.
7. Bambo Nature - 42 to 57c/nappy.
8. Babylove Ecobots - 50 to 69c/nappy.
9. Seventh Generation - 63c to \$1.17/nappy.
10. Moltex Eco - 67 to 92c/nappy.

As a general rule, the larger the size, the less value-for-money you'll find. This applies to any brand. That's because you get fewer larger-size nappies in a Bulk pack. It's also good to see 5 out of 10 of the above brands are eco-friendly! Proof that eco-disposables don't cost the earth!
